SUBMITTING FINAL FILES When both assignments are complete, package both InDesign files to the same folder. Name the folder: **GT-HW4-LASTNAME**. Please do not include additional files that are outside of the packaged files.

Create a zip file of this folder and upload it to the Blackboard HW4: Process Color Group File Exchange. Then click on the assignment link and hit submit, you do not need to submit anything to this it merely alerts me that you have completed the assignment. The assignment link is located in Bb (it is highlighted in green).
